

Goals and Agenda

Texas Oral Health Summit: Advocacy, Equity & Access

September 9-10, 2004

**Omni Austin Hotel Downtown
700 San Jacinto at 8th Street
Austin, Texas 78701
Phone: 512-476-3700**

The Summit Goals are to:

- Discuss critical oral health issues that impact children, adolescents, adults and elders in Texas
- Present promising approaches to enhance oral health surveillance, build capacity, and develop infrastructure for oral health improvements
- Identify best practices for community efforts to prevent oral diseases and promote oral health
- Discuss strategies to expand access to dental care for children and adults in urban and rural areas
- Highlight opportunities to maximize resources and increase access to clinical services for children through the Children's Health Insurance Program (CHIP) and Medicaid
- Explore the necessity of coalition-building and proactive advocacy for policies, programs, and practices to promote oral health in Texas
- Provide feedback and contribute to an Oral Health Plan for Texas
- Foster collaboration and dialogue about regional gaps, coalitions, and the implementation of oral health initiatives to improve oral health in Texas

**Department of Community Dentistry
University of Texas Health Science Center at San Antonio Dental School in Collaboration with the
Maternal and Child Health Program (Title V) and Oral Health Program
Texas Department of Health**

**Supported by Maternal and Child Health Bureau
Health Resources and Services Administration
State Oral Health Collaborative Systems Grant Program**
